

# SCHOLARSHIP APPLICATION ESSAY

Congratulations on your upcoming graduation and on starting the next phase of your educational journey. Our goal is to learn more about you and the impact you hope to have in your community and the world.

Please answer each essay prompt below. You can choose to either **write out your answers in this essay form** or **send us a video of you explaining your answers**. Please make sure to answer the questions in each prompt. Your score will be based solely on your response to the specific question(s) asked. If you answer a different question than the prompt, your essay will not be scored. *(Video should include both answers and be up to 5 minutes in length.)*

**Name:**

**What is your superpower?** You worked really hard to get to this point, so it is your time to brag about something you do exceptionally well. Please provide examples or evidence that demonstrate why this is your superpower. For example, if your superpower is helping children, you might discuss how you tutor youth after school, coach a youth basketball team and provide details about each of these experiences. *(400 word limit)*

# SCHOLARSHIP APPLICATION ESSAY

We all belong to various communities based on things such as our identities, physical location, school, or interests, such as sports.

**Think about a community that is important to you and:**

- 1) **name the community and why it is important to you; AND**
- 2) **identify a problem that impacts your community of choice, AND**
- 3) **explain how you would solve the problem if money and resources were not a limitation.**

We encourage you to be as creative as possible as you develop your solution. Remember, you have unlimited money and other resources to develop your solution – so think outside the box. Please ensure that your response addresses all subparts (1–3) of this question. *(400 word limit.)*
